

Board of Supervisors and Planning Commission Chambers Lectern Upgrade

March 13, 2024

Background

- The existing fixed height simple lectern used by the public during BOS and Planning Commission meetings is aged, not ADA compliant, **and not suitable for those of short stature.**
- Due to recent furniture advancements, a new ADA compliant motorized sit-stand lectern is being proposed. The size is 46" W x 30" D and can adjust to heights of 38"-46".

ADA Lectern Features

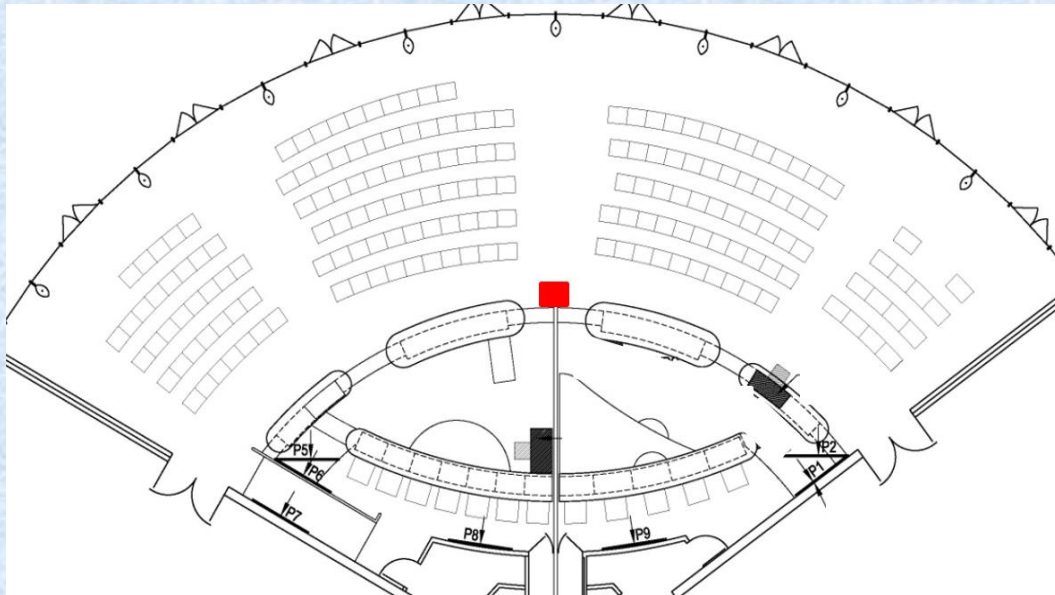

- Push button up-down table controls.
- Digital timer, microphone, power outlet can be installed on table.
- Several plastic laminate or veneer wood options to choose from.
- Table/backsplash and edge banding can be a different colored laminate (to be confirmed).
- This lectern has been approved by the County's Disability Access Manager
- Lectern is on casters and can be moved.

Lectern Location

Masking tape indicates location and size of new lectern.

Red rectangle indicates location of new lectern

Design Options

PROPOSED FINISHES:

- Primary laminate material would match dark wood throughout Chambers.
- Table and backsplash would be Cherokee Red.
- Edge banding would match wood color.
- No logo or task lighting.

SN3900 ADA COMPLIANT LECTERN
A stylish yet functional approach to ADA compliance

- Moves smoothly and quietly from seated (31") to full-standing height (41") allowing the same lectern to be used for all presenters
- A conveniently located rocker switch allows movement over a 10 inch range, adjusting from an ADA-compliant height to a conventional standard lectern height
- A spacious work surface provides space for monitors, laptops, notebooks, and other presentation materials
- Seated presenters will appreciate the ease of entry and exit afforded by the oversized access area
- Features 3" locking swivel casters.
- Service access to the motor and limit switches can be serviced through removal of an access panel
- Available Options include: Custom work surface cutouts, Task light, Digital clock, power outlet, Cable port
- 46"W x 38-46" H x 30" D
