San Rafael, CA 94903**

**SHELLY SCOTT  
MARIN COUNTY CLERK  
By O. Lobato, Deputy  
21 - 2023 - 088**

**Attn: Rachel Reid, Environmental Planning Manager Coordinator**

## NOTICE OF EXEMPTION

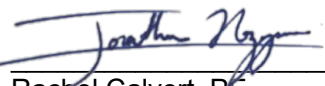

Marin County  
Environmental Coordination and Review

April 12, 2023

- 1. Project Name:** Fairfax Bolinas Road MP 1.34 Slide Repair
- 2. Project Location:** The project is located along Fairfax Bolinas Rd at mile post 1.34 in Fairfax, CA, Unincorporated Marin County.
- 3. Project Description:** The severe storm events of January 2023 triggered a slip out which undermined the edge of the roadway pavement at Fairfax Bolinas Road at mile post 1.34. This posed an immediate threat to public safety, leading to the closure of the eastbound traveled way. Temporary traffic signals were installed to maintain one-lane alternating traffic control. This project will include the construction of a new retaining wall to support the road and reopen the eastbound traveled way on Fairfax Bolinas Rd at mile post 1.34. Work activities will include earthwork, pier drilling, erosion and settlement control, roadway paving, creation of an asphalt dike, a drainage system, and metal beam guardrail.
- 4. Public Agency Approving Project:** Marin County Department of Public Works
- 5. Project Sponsor:** Marin County Department of Public Works
- 6. CEQA Exemption Status:** Statutory Exemption Section 15269. Emergency Projects (b) Emergency repairs to public or privately owned facilities necessary to maintain services essential to the public health, safety, and welfare.
- 7. Reasons for Exemption:** This project will include emergency repairs to permanently restore eastbound traveled way and restore two traffic. This emergency permanent repair is essential to the safety and welfare of the roadway for both drivers and cyclists, residents in the immediate neighborhood, and Marin Municipal Water District, who uses this route to delivery chemicals for water treatment.
