X County Clerk, County of Marin

FROM: Marin County Department of Public Works

SUBJECT: Filing the Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

Project Title: San Anselmo Flood Risk Reduction Project EIR Addendum

State Clearinghouse #: 2017042041

Contact Person: Hugh Davis, Water Resources Associate Engineer

Telephone Number: 415-473-4232

Email Address: hdavis@marincounty.org

Project Location: The project is located in the southwestern portion of Assessor's Parcel 172-372-14, in unincorporated Marin County west of San Geronimo.

Project Description: At a site near Woodacre on San Geronimo Creek, the Marin County Flood Control and Water Conservation District proposes compensatory mitigation planting, which is required to offset impacts caused by implementation of the project. The project, as approved in 2018, involves taking various flood risk reduction actions in unincorporated Marin County just west of Fairfax and San Anselmo to increase creek capacity, remove obstructions, and attenuate flows within portions of the San Anselmo Creek and Fairfax Creek sub-watersheds in Ross Valley, located in central-eastern Marin County.

This is to advise that the Board of Supervisors approved the above described project on August 15, 2023, and has made the following determinations regarding the above described project:

1. The project in its approved form will not have a significant effect on the environment.
2. An Addendum Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A statement of Overriding Considerations was not adopted for this project.
5. Findings were made pursuant to the provisions of CEQA.

I certify that a copy of the Environmental Impact Report, and record of project approval is on file and may be examined at:
