Addendum to Environmental Impact Report (EIR) for the  
San Anselmo Flood Risk Reduction Project

JUN 08 2023

MARIN COUNTY  
CLERK

Project APN: 172-372-14

Department: Marin County Flood Control District

Project Contact: Hugh Davis, Civil Engineer | (415) 473-4232 | [envplanning@marincounty.org](mailto:envplanning@marincounty.org)

**Project Summary:** At a site near Woodacre on San Geronimo Creek, the Marin County Flood Control and Water Conservation District proposes compensatory mitigation planting, which is required to offset impacts caused by implementation of the project. The project, as approved in 2018, involves taking various flood risk reduction actions in unincorporated Marin County just west of Fairfax and San Anselmo to increase creek capacity, remove obstructions, and attenuate flows within portions of the San Anselmo Creek and Fairfax Creek sub-watersheds in Ross Valley, located in central-eastern Marin County.

**Public Review Period:** Thursday, June 8, 2023 – Monday, July 10, 2023 at 4:00 p.m.

**For more information, please visit the environmental review project webpage at:**

If you challenge the decision on this application in court, you may be limited to raising only those issues you or someone else raised at the public hearing for the project, or in written correspondence delivered to the Community Development Agency, Planning Division during or prior to the public hearing. (Government Code Section 65009(b)(2).)

All public meetings and events sponsored or conducted by the County of Marin are held in accessible sites. Requests for accommodations may be made by calling (415) 473-4381 (Voice) 473-3232 (TDD/TTY) or by email at [disabilityaccess@marincounty.org](mailto:disabilityaccess@marincounty.org) at least five business days in advance of the event. Copies of documents are available in alternative formats, upon request.
