**COUNTY SERVICE AREA NO. 29  
APPROPRIATIONS LIMIT INCREASE  
IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE I**

If this Measure is approved by a majority vote, the appropriations limit established for County Service Area No. 29 pursuant to Article XIII B of the California Constitution will be increased by an amount equal to the proceeds of the taxes imposed.

Dated: August 22, 2001

County Counsel

**ARGUMENT IN FAVOR OF MEASURE I**

Measure "I" is an appropriations spending limit which is required under the State Constitution. It is an administrative procedure which limits expenditures to the amount of the tax proceeds collected annually under Measure H. It does not affect the amount of the parcel tax or the term of the tax authorized by Measure H.

When the 1992 parcel tax measure was approved by the County Service Area No. 29 voters, it was a single ballot measure which included both parcel tax and the appropriations spending limit together as a single ballot measure. Marin County now requires that the appropriations spending limit be treated as a separate ballot item and voted upon as a separate measure, hence Measure "I".

Both Measures H and I must be approved in order to authorize and collect the parcel tax, and to spend the tax proceeds for dredging purposes.

The County Service Area No. 29 Advisory Board composed of Harry Blake, Bill Canada, Bill Tapscott, Herm Zelles and I urge you to VOTE "YES" on Measure "I".
