MEASURE M**

If this Measure is approved by a two-thirds vote, the amendment to County Service Area No. 19, Ordinance No. 3281, increasing the special tax for paramedic services effective July 1, 2003, in an amount not to exceed Sixty One Dollars (\$61.00) per year for each living unit, and a maximum of Eight Cents (\$.08) per square foot for each non-residential structure, shall become effective.

ARGUMENT IN FAVOR OF MEASURE M

This measure increases an assessment begun in 1980, to provide paramedic services. Approval must be by two-thirds of those voting, every four years.

Our County Service Area No. 19 contracts with the San Rafael City Fire Department to provide us in the unincorporated area with emergency medical response.

Measure M does two things: (1) it increases the maximum annual assessment, per household, from the current \$53 to \$61, and (2) increases the maximum tax, per square foot of non-residential property, from the current \$.07 to \$.08 per square foot.

For the past four years, the maximum rate, per household, was \$53 and the actual assessment in 2002-03 being \$52. The actual rate is set by the Board of Supervisors annually, determined by actual costs, in negotiation with the City. The cost of service is determined by the number of households and commercial properties in the unincorporated area surrounding San Rafael.

We urge your "YES" vote to insure we continue to receive this vital, life-saving service. If a resident of C.S.A. 19 called a private ambulance company for transportation to Marin General Hospital, the Basic Life Support charge would be \$595, plus supplies and mileage charges. Considering these costs, we feel the life-saving service we receive from Measure M, are a real bargain.

**WE STRONGLY URGE YOU TO VOTE "YES" TO MAINTAIN THIS
CRITICAL SERVICE.**
