COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE D

STINSON BEACH FIRE PROTECTION DISTRICT APPROPRIATIONS LIMIT INCREASE

If this Measure is approved by a majority of voters, the appropriations limit for the Stinson Beach Fire Protection District pursuant to Article XIIIB of the California Constitution will be adjusted to include the combined total of all applicable revenue sources for the fiscal years 2008-2009 through and including 2011-2012. The period for the adjusted appropriations limit corresponds to the permissible new four year period commencing with the expiration of the current appropriations limit override (fiscal year 2003-2004 to fiscal year 2007-2008) and ending at the end of fiscal year 2011-2012.

ARGUMENT IN FAVOR OF MEASURE D

Measure D is not an increase in taxes.

Measure D authorizes the District to expend the tax dollars Stinson Beach voters already have approved.

Measure D has no effect on the tax rate. A YES vote will NOT raise taxes.

A NO vote will NOT reduce taxes.

A YES vote simply increases the Fire Department's appropriations to equal the existing tax revenue. This enables the District to pay for fire protection and ambulance services.

If Measure D fails, the Fire Department budget will have to be cut back by a significant amount.

Measure D expires automatically in four years and must be resubmitted to the voters.
